Lyrics:klaus meine, herman rarebell

You get me loose I want ya, that's all I do You leave me loose I want ya, that's all I do

Make love to me right now Love me till I'm down

You make me groove I want ya, that's all I do You let me groove I want ya, that's all I do

Make love to me right now Love me till I'm down

Who are you? Your magic is strange and new Who are you? I want ya, that's all I do

Make love to me right now Love me till I'm down

Make love to me right now Love me till I'm down
