Arizona really was a gas  
I was screwed up in a total mess  
Mind blowing all the way, you know  
Just out of sight

Some girl stopped me in the street at night  
Ooh, what a knockout and she felt so right  
Ooh, yeah, she took my breath away  
Just out of sight

Loved her in her car  
Took me to the stars  
Babe, we went nuts all the way

Loved her on the moon  
Morning came too soon  
She got me high and loose, loose, loose

Arizona really feels alright  
Girls swing here and they treat you right  
Have so many special ways, you know  
And that's alright

Was so hard to leave and say goodbye  
I'd like to stay and have another try  
Mind blowing all the way, you know  
Just out of sight

Loved her in her car  
Took me to the stars  
Babe, we went nuts all the way

Loved her on the moon  
Morning came too soon  
She got me high and loose, loose, loose

Loved her in her car  
Took me to the stars  
Babe, we went nuts all the way

Loved her on the moon  
Morning came too soon

She got me high and loose, loose, loose

Ooh, what a night

Yes, a good time

Out of sight

Yeah yeah yeah yeah, what a night

Ooh, what a night

Yeah yeah yeah yeah, what a night
