If you feel real sad sometimes
Caught in bad vibrations
And it seems, you've lost your drive
And your destination

If you feel that life's passing by, passing by
Catch the train of better times
Rock tonight

Hard times go
As soon as the good times roll
Hard times go
As soon as the good times roll

If you feel that all your life
Is packed with complications
And almost everything you try
Ends up in new frustrations

If you feel that life's passing by, passing by
Catch the train of better times
Rock tonight

Hard times go
As soon as the good times roll
Hard times go
As soon as the good times roll

All your life
Yeah yeah yeah yeah
Life, all your life
Life, yeah yeah yeah yeah
Life, all your life
All your life

Hard times go
As soon as the good times roll
Hard times go
As soon as the good times roll

All your life
Yeah yeah yeah yeah

Life, all your life
Life, yeah yeah yeah yeah
Life, all your life
All your life

All your life
All your life
All your life
