How does it feel, babe, to taste sweet revenge?  
Do you want me on my knees?  
How does it feel, babe, to let me feel your strength?  
Don't be cruel, can't you see?

If you don't catch me now, I can't stop falling down  
Just one more night and the Devil got my soul  
I need your love, babe, don't tell me "No way"  
Babe, I miss you so much more than words can say

How does it feel, babe, to kill our destiny?  
I swear I'm not gonna crawl, oh no  
How does it feel, babe, to make a fool out of me?  
How can you be so cold, be so cold?

If you don't catch me now, I can't stop falling down  
Just one more night and the Devil got my soul  
I need your love, babe, don't treat me this way  
Ooh I miss you, I miss you

Baby our love's got what it takes  
To give us one more chance to start once again  
Baby our love will find a way  
As long as we believe in love

If you don't catch me now, I can't stop falling down  
Just one more night and the Devil got my soul  
I need your love, babe, don't leave me this way  
Ooh I miss you, I miss you

Baby our love's got what it takes  
To give us one more chance to start once again  
Baby our love will find a way  
As long as we believe in love, as long as we believe

Baby our love's got what it takes  
To give us one more chance to start once again  
Baby our love will find a way  
As long as we believe in love
