That's the stuff that turns me on
More than gold and money
I need sounds loud and rough
Like the bee the honey my love

I can't get enough

Move you legs stamp your feet
The language of your body
Is right now all I need
To understand you're ready for love

I can't get enough, yeah

Burning lips the taste of life
High energy hot feelings
Heavy sounds to feel alright
And rock 'n' roll for speed kings my love
Rock 'n' roll for speed kings

I can't get enough
I can't get enough
We can't get enough

Yes, yeah I can't get enough
We can't, we can't, we can't, we can't get enough, yeah
I can't get enough
We can't get enough
