Ooh, it's a crazy world
Ooh, it's a crazy world

I get up in the morning
For my dose of the news
Crawl right back in the sack girl
Had enough of the truth

Spend your dollars and rouble
Buy a piece of the wall
Build it up in your backyard
I'm so sick of it all

Ooh, it's a crazy world
Ooh, it's a crazy world

Drivin' down to the city
Doin' one fifty-five
Better late than never
I'm more dead than alive

We can find the Titanic
Put a man on the moon
But man we can't fix our backyard
Man we better start soon

Ooh, it's a crazy world
Ooh, it's a crazy world
Ooh, it's a crazy world
Ooh, it's a crazy world

I don't want to hear about it
I wish it would be worlds away
You know the more I think about it
The more I feel we need to change

I get up
In a crazy, crazy world
In a crazy, crazy world
It's a crazy, crazy world
It's a crazy, crazy world
It's a crazy, crazy world

It's a crazy, crazy world

I'm goin' home to my baby
It's been another hard day
Bust my balls for the taxman
So what else can I say?

Spent our money on missiles
For the third world war
Now they're stacked in my backyard
But we don't need them no more

Ooh, it's a crazy world
Ooh, it's a crazy world
Ooh, it's a crazy world
Ooh, it's a crazy world
