I got a feeling inside
It's a certain kind
I feel hot and cold
Deep down in my soul

I said, "I can't explain"
I'm feeling good enough baby
I'm dizzy in my head
And I'm feeling blue
Things you say but maybe they're true
Getting funny dreams again and again
I know what it means but

I can't explain
I think it's love
I'm trying to say to you
When I feel blue
But I can't explain
Just hear what I'm saying, baby

I'm dizzy in the head
And I'm feeling bad
Things you say got me real mad
Getting funny dreams again and again
I know what it means but

I can't explain
I think it's love
I'm trying to say to you
When I feel blue
But I can't explain
Just hear me one more time, baby

I'm dizzy in the head
And I'm feeling bad
Things you say got me real mad
Getting funny dreams again and again
I know what it means but

I can't explain
I think it's love
I'm trying to say to you

When I feel blue
But I can't explain
Just hear me one more time, baby

She drive me out of my mind
She drive me out of my mind
She drive me out of my mind
She drive me out of my mind
You drive me out of my mind

Ooh yeah, I can't explain
I can't explain, baby
