Ooh, girl, I'm leaving you  
Yes, I'm leaving you  
I've got to go tonight  
Ooh, girl I'm leaving you  
Yes, I'm leaving you  
I've got to go, I can't stay  
I can't stay, I can't stay, I can't stay

You shouldn't feel so blue  
Shouldn't feel so blue  
When I'm gone tonight  
Baby, you shouldn't feel so blue  
Shouldn't feel so blue  
When I'm gone I can't stay  
I can't stay, I can't stay, I can't stay

Keep me in your mind till I  
Come back to love ya  
Keep me in your mind till I  
Come back to love ya  
Keep me in your mind till I  
Come back to love ya  
Keep me in your mind till I  
Come back to take you worlds away yeah  
Take you worlds away, baby

Ooh, girl, I'm leaving you  
Yes, I'm leaving you  
I've got to go tonight  
Baby, you shouldn't feel so blue  
Shouldn't feel so blue  
When I'm gone I can't stay, I can't stay  
I can't stay, I can't stay, I can't stay  
I can't stay, I can't stay, I can't stay

Keep me in your mind till I  
Come back to love ya  
Keep me in your mind till I  
Come back to love ya  
Keep me in your mind till I  
Come back to love ya  
Keep me in your mind till I

Come back to love ya

Keep me in your mind till I

Come back to love ya

Keep me in your mind till I

Come back to love ya

Keep me in your mind till I

Come back to love ya
