In the night there is
A gentle voice of silence
So low and quiet
She'll catch me 'cos I've been longing

I want to walk in your park
'Cos I'm alone
I want to walk in your heart
Where are you? I don't know

I look around and see
The sunshine in the morning
Shadows in the night
Like angels by your side in the alley

On my journey I change the time
Leave everything behind me
Shadows in the night
Like angels by your side in the alley

I want to walk in your park
'Cos I'm alone
I want to walk in your heart
Where are you? I don't know

I want to walk in your park
'Cos I'm alone
I want to walk in your heart
Where are you? I don't know

I want to walk in your park
'Cos I'm alone
I want to walk in your heart
Where are you? I don't know
I don't know, I don't know
