Aah ha ha ha ha, aah
Aah ha ha ha ha, aah
Aah ha ha ha ha, aah
Aah ha ha ha ha, aah

Open my mind let me find new vibrations
Show me the way I must take to reach my destination
And a place where I can stay
Where is the love of my life? Couldn't find her
Show me the way to find back to myself
'Cause I'm nowhere in the darkness of these days

Is there anybody there who feels that vibration
Who shows me the way to my love?
Is there anybody there with that inclination
To bring back to sun to my heart?

I find myself in a state of confusion
Life's like a pantomime trick or a laser illusion
Where's a place where I can stay?
Save me don't let me get lost in the ocean
I need your help everyday to control my emotions
In the darkness of these days

Is there anybody there who feels that vibration
Who shows me the way to my love?
Is there anybody there with that inclination
To bring back the sun to my heart?
Yeah

Is there anybody there who feels that vibration
Who shows me the way to my love?
Is there anybody there with that inclination
To bring back the sun to my heart?

Aah ha ha ha ha, aah
Aah ha ha ha ha, aah, yeah
Aah ha ha ha ha, aah
Aah ha ha ha ha, aah, yeah
Aah ha ha ha ha, aah
Aah ha ha ha ha, woh, yeah
