Another morning, such an ordinary day
She's doin' time from nine to five, the hours waste
away
There's no escape, she's a part of the big machine
But she's a slave to the suit and tie, seven days a week

But every night
(Ooh)
She can hardly wait
It feels alright
(Ooh)
To give it all away

Good girls get their kicks after six
(Ooh, yeah, ooh, yeah)
Good girls get their kicks after six
(She needs it bad, real, real bad)

She wants what she never had
All the things that make a good girl bad
She gets her kicks after six

Some days it's hard to face the cruel reality
Just waitin' for the bell to ring, she wants to be free
It feels so good to start another endless night
She spreads her wings for another flight, she's running
wild

And every night
(Ooh)
She can hardly wait
It feels alright
(Ooh)
To give it all away

Good girls get their kicks after six
(She needs it bad, real, real bad)
Good girls get their kicks after six
(Ooh, yeah, shake it for me baby)

She wants what she never had
All the things that make a good girl bad

She gets her kicks after six

Good girls get their kicks after six
(Ooh, yeah, ooh, yeah)
Good girls get their kicks after six
(Oh, yeah, nothin's gonna stop her)

She wants what she never had
All the things that make a good girl bad
She gets her kicks

Good girls get their kicks after six
(She needs it bad, real, real bad)
Good girls get their kicks after six
(C'mon baby, take it to the limit)

She wants what she never had
All the things that make a good girl bad
She gets her kicks after six
