Have you ever seen the morning
When the sun comes up the shore
And the silence teach
The beauty for the sound?

Have you ever set they're waiting
For the time to stand still
For all the worlds and stars
From turning around?

And you run
'Cause life is too short
And you run
'Cause life is too short

Have you ever seen the glory?
When the moon is on the rise
And the dreams are close
To the ones that we love

Have you ever set they're waiting?
For heaven to give a sign
So we could find the place
Where angels come from

And you run
(And you run)
'Cause life is too short
And you run
(And you run)
'Cause life is too short

And you run
(And you run)
'Cause life is too short
And you run
(And you run)
'Cause life is too short

There's a time that turns, turn back time
But I don't see I can
It only works

If you believe in the truth

But there's a time to live and a time to cry
But if you're by my side
I will try to catch a star, I'll try to catch a star
Just for you

And I run
'Cause life is too short
And I run
(And I run)
'Cause life is too short

And I run
(And I run, and I run)
'Cause life is too short
And I run
(And I run, and I run, and I run)
'Cause life is too short

Yeah, too short
(And I run, and I run, and I run, and I run, and I run)
Too short
Life is too short
(And I run, and I run, and I run, and I run, and I run)
Too short
Yeah

Too short
(And I run, and I run, and I run, and I run, and I run)
Too short
Life is too short
(And I run, and I run, and I run, and I run, and I run)
Too short

Life is too short
(And I run, and I run, and I run, and I run, and I run)
Too short, too short, too short, too short
(And I run, and I run, and I run, and I run, and I run)
Too short, too short, too short, too short, too short, too short

(And I run, and I run, and I run, and I run, and I run)
(And I run, and I run, and I run, and I run, and I run)
Too short
(And I run, and I run, and I run, and I run, and I run)
Too short

(And I run, and I run, and I run, and I run, and I run)
Too short
Life is too short

(And I run, and I run, and I run, and I run, and I run)
