I'm still living for tomorrow

I'm living for today

Let's make this world

A better place to live

Stop to take

Start to give

Love's got the power

To get it done

To stop the pain

Of a killing gun

And even if you say

We're gonna die today

I'm still living for tomorrow

I'm living for today

Cause love will find a way my friend

Whatever it will take

I'm still living for tomorrow

I'm living for today

Why don't we try today my friend

To make this world a better place

Let's make this life

A better life to live

Stop to hate

Learn to forgive

Evil power can kill

The human race

If we give life

A human face (a human face)

And even if you say

We're gonna die today

I'm still living for tomorrow

I'm living for toda

Cause love will find a way my friend
Whatever it will take

I'm still living for tomorrow
I'm living for today
Why don't we try today my friend
To make this world a better place (a better place)

And even if you say
We're gonna die today
I'm still living for tomorrow
I'm living for today
Cause love will find a way my friend
Whatever it will take

I'm still living for tomorrow
I'm living for today
Why don't we try today my friend
To make this world a better place

I'm still living for tomorrow
