Love of my life, you've hurt me  
You've broken my heart  
And now you leave me  
Love of my life, can't you see?

Bring it back, bring it back  
Don't take it away from me  
Because you don't know  
What it means to me

Love of my life, don't leave me  
You've taken my heart  
You now desert me  
Love of my life, can't you see?

Bring it back, bring it back  
Don't take it away from me  
Because you don't know  
What it means to me

You won't remember  
When this is blown over  
And everything's all by the way

When I get older, I will be there  
At your side to remind you  
How I still love you, I still love you

Back, bring it back  
Don't take it away from me  
Because you don't know  
What it means to me

Love of my life  
Love of my life
