You can always trust your inner feelings
'Cause they always tell the truth
Where did it get you, then you're analyzing
Just do what feels right for you

If you take life as a crazy gamble
Throw your dice take your chance
You will see it from a different angle
And you too can join the dance

Make it real not fantasy, fantasy
Make it real not fantasy, fantasy, ooh yeah

Did you ever have a secret yearning?
Don't you know it could come true?
Now's the time to set wheels turning
Open up your life for you

As you know there's always good and evil
Make your choice don't be blind
Open up your mind and don't be trivial
There's a whole new world to find

Make it real not fantasy, fantasy
Make it real not fantasy, fantasy, ooh yeah

Did you ever have a secret yearning?
Don't you know it could come true?
Now's the time to set wheels turning
Open up your life for you

If you take life as a crazy gamble
Throw your dice take your chance
You will see it from a different angle
And you too will join the dance

Make it real not fantasy, fantasy
Make it real not fantasy, fantasy

Make it real not fantasy, fantasy
Make it real not fantasy, fantasy, ooh yeah
