You know nothing about loving
You're lost somewhere down the line
You know nothing about givin'
You should draw the line

You keep lookin' out for something
Somethin you're never gonna find
When will, will you show your feelings?
You will lose your mind

Who's to blame my love?
You play a dangerous game
Who's to blame my love?
All you want is money and fame

You play, play with emotions
You need, need a stepping stone
You're out, out for sensations
Don't you, don't you feel alone?

Who's to blame my love?
You play a dangerous game
Who's to blame my love?
All you want is money and fame

Who's to blame my love?
You play a dangerous game
Who's to blame my love?
Baby all you want is money and fame

Money and fame
Money and fame
Money and fame
