Girl, it's been a long time that we've been apart
Much too long for a man who needs love, I miss you
since I've been away
Babe, wasn't easy to leave you alone
It's getting harder each time that I go, if I had the
choice, I would stay

There's no one like you, I can't wait for the nights with
you
I imagine the things we'll do, I just wanna be loved by
you
No one like you, I can't wait for the nights with you
I imagine the things we'll do, I just wanna be loved by
you

Girl, there are really no words strong enough
To describe all my longing for love, I don't want my
feelings restrained
Ooh, babe, I just need you like never before
Just imagine, come through this door, you take all my
sorrow away

There's no one like you, I can't wait for the nights with
you
I imagine the things we'll do, I just wanna be loved by
you
No one like you, I can't wait for the nights with you
I imagine the things we'll do, I just wanna be loved by
you

No one like you, I can't wait for the nights with you
I imagine the things we'll do, I just wanna be loved by
you
No one like you, I can't wait for the nights with you
I imagine the things we'll do, I just wanna be loved by
you
