Stranded in this town, my machine slows down  
To take me where the night begins  
I'm playing everywhere, loving here and there  
I always take the chance to win

Drove a million miles, gambling rules my life  
I only stop to start again  
I reach out through the air, good look is everywhere  
Can almost touch it with my hands

Just a little luck tonight  
Will do and dreams come true  
Just a little luck tonight  
I can't stop the wheel  
That turns the ball of steel

When passion rules the game yeah, yeah  
I ain't got no control, when my heart's in flames  
When passion rules the game yeah yeah  
I ain't got no control, when my heart's in flames

Stranded in this town, life takes me up and down  
I'll break the score until I'm free  
Can't stop to roll the dice and in the morning light  
A girl like you is all I need

Don't you need some love tonight? I do, yes I do  
And don't you need some love tonight?  
How can we stand the heat  
When love is all we need?

When passion rules the game yeah, yeah  
I ain't got no control, when my heart's in flames  
When passion rules the game yeah, yeah  
I ain't got no control, when my heart's in flames

Don't you need some love tonight? I do, yes I do  
And don't you need some love tonight?  
How can we stand the heat  
When love is all we need?

When passion rules the game yeah, yeah

I ain't got no control, when my heart's in flames  
When passion rules the game yeah, yeah  
I ain't got no control, when my heart's in flames

Passion rules the game yeah, yeah  
I ain't got no control, when my heart's in flames  
When passion rules the game yeah, yeah  
I ain't got no control, when my heart's in flames  
Passion rules the game yeah, yeah
