It's early morning, the sun comes out  
Last night was shaking, pretty loud  
My cat is purring and scratches my skin  
So what is wrong with another sin?

The bitch is hungry she needs to tell  
So give her inches and feed her well  
More days to come, new places to go  
I've got to leave it's time for a show

Here I am  
Rock you like a hurricane  
Here I am  
Rock you like a hurricane

My body is burning it starts to shout  
Desire's coming it breaks out loud  
Lust is in cages, till storm breaks loose  
Just have to make it with someone I choose

The night is calling, I have to go  
The wolf is hungry, he runs the show  
He's licking his lips, he's ready to win  
On the hunt tonight for love at first sting

Here I am  
Rock you like a hurricane  
Here I am  
Rock you like a hurricane

Here I am  
Rock you like a hurricane  
Here I am  
Rock you like a hurricane  
Rock you like a hurricane

It's early morning, the sun comes out  
Last night was shaking, pretty loud  
My cat is purring and scratches my skin  
So what is wrong with another sin?

He's licking his lips, he's ready to win  
On the hunt tonight for love at first sting

Here I am

Here I am
