Oh, oh
Yeah, yeah, yeah

I keep on dancin' on the roof
Try not to fall, stay in the groove, oh
A step too far, I'm out of place
Life beats you up some of these days, oh

Just like a whisper there's a voice
Inside of me
It's sayin', "You ain't got a choice
Well, can't you see?"

Ohh, when your world comes tumbling down
Ohh, you better find a way around
Oh, yeah

I keep on walkin' in the clouds
Find out what life is all about, oh
I keep on runnin' away from here
To learn the grass ain't greener there, yeah

Just like a whisper there's a voice
Inside of me
It's sayin', "You ain't got no choice
As you can see"

Ohh, when your world comes tumbling down
Ohh, you better find a way around
Ohh, 'cause no one else but you
Ohh, can find the stone inside your shoe
Oh, oh, yeah yeah

Ohh, when your world comes tumbling down
Ohh, you better find a way around
Ohh, 'cause no one else but you
Ohh, can find the stone inside your shoe

Inside your shoe
Inside your shoe
Inside your shoe
Yeah

Keep rockin' in the street
Keep landing on my feet
Keep runnin' on and on
Still play my favorite blond

Keep rockin' Mother Earth
Just all around the world
These days mean safer sex
Get my survival pack

My orgasm isn't faked
Oh Lord, I need a break
And what's annoying, too
Is that thing in my shoe?
Oh, there's a stone in my shoe
