I've been around the world
I've known a lot of girls
Livin' and lovin'
It's hard to keep them all in line

I've seen a lot of sights
Many crazy nights
Cruisin' and boozin'
It's a wonder that I'm still alive

Never wasted any time
Never missed a beat
Total satisfaction
Always guaranteed

Tease me, please me
No one needs to know, oh no
Tease me, please me
Before I have to go, c'mon

Spread the word around
Boys are back in town
Reelin' and rockin'
We're rollin' with it, win or lose, oo yeah

The girls are dressed to kill
Lookin' for a thrill
Slidin' and glidin'
Sometimes they make it hard to choose
So hard to choose

Never wasted any time
Never missed a beat
Total satisfaction
Always guaranteed

Tease me, please me
No one needs to know, oh no
Tease me, please me
Before I have to go

Tease me, please me

We'll take it nice and slow, nice and slow
Tease me, please me
Just let the feeling grow, let it grow

Never wasted any time
Never missed a beat
Total satisfaction
Always guaranteed

Tease me, please me
And no one needs to know, oh no
Tease me, please me
Before I have to go

Tease me, please me
We'll take it nice and slow, nice and slow
Tease me, please me
Just let the feeling grow, let it grow

Tease me, please me
And no one needs to know, oh no
Tease me, please me
Before I have to go

Tease me, please me
We'll take it nice and slow, nice and slow
Tease me, please me
Just let the feeling grow, let it grow

Tease me, please me
