I'm a little tin soldier  
that wants to jump into your fire  
you are a look in your eye  
a dream passing by in the sky

I don't understand  
all I need is treat me like a man  
'cause I ain't no child take me like I am

I got to know that I belong to you  
do anything that you want to do  
sing any song that you want me to sing to you

All I need is your whispered hello  
smiles melting the snow nothing heard  
your eyes are deeper than time  
say a love that won't rhyme without words

so now I've lost my way  
I need help to show me things to say  
give me your love before mine fades away

I got to know that I belong to you  
do anything that you want to do  
sing any song that you want me to sing to you  
oh no no no

I don't need no aggravation  
I just got to make you my occupation

I got to know that I belong to you  
do anything that you want to do  
sing any song that you want me to sing to you

I got to know that I belong to you  
do anything that you want to do  
sing any song that you want me to sing to you

I don't need no aggravation  
I just got to make you my occupation

I don't need no aggravation
