We don't own the world  
My world is your world  
The air we breath and the starts we see  
Our journey called discovery  
My time is your time  
Your silent scream  
Remains unheard  
Humility is not just a word  
We don't own the world (we don't)  
We don't own the world (oh no)  
We don't own the world (we don't own the world)  
Your light is my light  
The tears we cry, the joy we share  
To love just means we really care  
My dream is your dream  
We could save the world

We could share so much  
If we don't live like this no more  
We don't own the world (we don't)  
We don't own the world (we don't)  
We don't own the world (oh no)  
We don't own the world (we don't own the world)  
We don't own the world (we don't own the world)  
We don't own the world (oh no)  
We don't...
