I lose control because of you, babe
I lose control when you look at me like this
There's something in your eyes
That is saying tonight

I'm not a child anymore
Life has opened the door
To a new exciting life

I lose control when I'm close to you, babe
I lose control don't look at me like this
There's something in your eyes
Is this love at first sight?

Like a flower that grows
Life just wants you to know
All the secrets of life

It's all written down in your lifelines
It's written down inside your heart

You and I just have a dream
To find our love a place, where we can hide away
You and I, we're just made
To love each other now, forever and a day, yeah

I lose control because of you, babe
I lose control don't look at me like this
There's something in your eyes
That is saying tonight

I'm so curious for more
Just like never before
In my innocent life

It's all written down in your lifelines, yeah
It's written down inside your heart

You and I just have a dream
To find our love a place, where we can hide away
You and I, we're just made
To love each other now, forever and a day, yeah

The time stands still
When the days of innocence
Are falling for the night

I love you, girl, I always will
I swear, I'm there for you
Till the day I die

You and I just have a dream
To find our love a place, where we can hide away
You and I, we're just made
To love each other now, forever and a day, yeah
