Here I am, writing my last song for you
Hear the words carefully
And you'll see it's you I'm leaving
Don't want to be the one to tell you
That I can't stay another day

I'll throw the pages on the floor
I'm starting over like before
I'll change this stupid ending
And stay with you forevermore

But when I'm lying next to you
It's hard to bargain with the truth
'Cause when you know the love is gone
The time has come to write your last song

There you are, smiling at me from the next room
Beautiful as the first day I met you and I'm so sorry
I couldn't be the one to love you
The way that you deserve to be

I'll throw the pages on the floor
I'm starting over like before
I'll change this stupid ending
And stay with you forevermore

But when I'm lying next to you
It's hard to bargain with the truth
'Cause when you know the love is gone
The time has come to write your last song

It's hard to think of you and I as total strangers
I've lived this last goodbye a million times or more
In my mind, my mind, my mind

Oh and I'm gonna miss you
But I can't go back even just to kiss you
'Cause I can't exist just living a lie
Gotta lot of love to give you know before I die
And as I watch you sing along
It's killing me that it's your last song
