It's your move, I'm in pain  
I'm a pawn in your game  
It's your life, I just happen  
To be in it for a while

Oh, you're lovin' me to death  
You're killin' me with kindness  
What's behind this sudden tenderness?

You're lovin' me to death  
And leavin' me to die  
You make me wanna scream  
But my tongue is tied

You play me like a toy  
You made my life a mess  
Everybody knows  
You're lovin' me to death

When you touch can you feel?  
Is your heart only made of steel?  
When you cry  
Do you ever let emotions break your stride?

Oh, you take away my breath  
Your unexpected hunger  
Makes me wonder  
What the hell comes next

You're lovin' me to death  
And leavin' me to die  
You make me wanna scream  
But my tongue is tied

You play me like a toy  
You made my life a mess  
Everybody knows  
You're lovin' me to death

You're lovin' me to death  
And leavin' me to die  
You make me wanna scream

But my tongue is tied

You play me like a toy  
You made my life a mess  
Everybody knows  
You're lovin' me to death

You're lovin' me to death  
And leavin' me to die  
You make me wanna scream  
But my tongue is tied

You play me like a toy  
You made my life a mess  
Everybody knows  
You're lovin' me to death
