[Hook]

On my nog, like hood in the car  
Do your job, bitch, do your job, bitch bitch  
Do your job, bitch, do your job, bitch bitch  
On my nog, like hood in the car

Do your job, bitch, do your job, bitch bitch  
Do your job, bitch, do your job, bitch bitch

She a trick off the wig in my convo  
Round of applause make it clap, yes, bravo  
Now bust wide open for me pronto  
Looking like a million nigga swear I hit the lotto  
Thumbing through the paper feel just like I just read a  
novel  
Call it marvin k, nah this ain't no mavado  
Throw some ice in it then them hoes gonn follow  
Told her I don't want no head if she don't swallow  
Turn it up now, struck the molly in the bottle  
Have sex with a bunch of latest instagram models  
Foreign's whippin on a brand new set of forgiattos  
Drive through the south side speaking up in Mexicana  
Oh mamas, you can give me all the money in the world  
Still won't give a bitch a dollar  
I ain't even interested '

One licking on my nuts, while her friend getting hit

But if your resume bad, then you getting tossed
