Were all what you hate
Were all what you fear
But we are your seed
Your bastards make you bleed

New generation made of sins and scars
Pioneers of a world made of booze and sex
Sinners of the Night where the whores are stars
Getting fucked for pleasure and wearing latex

- Revolution -

Theres no pride no shame
Lifes a fucking game
Theres no hope for us
Cause futures made of dust

New generation made of sins and scars
Pioneers of a world made of booze and sex
Sinners of the Night where the whores are stars
Getting fucked for pleasure and wearing latex

- Revolution -

Rats by night, pawns by day, you are nothing

We, the eyes of Dunes
We, who are immune
We, the sons of Lust
We, who never trust

New generation made of sins and scars
Pioneers of a world made of booze and sex
Sinners of the Night where the whores are stars
Getting fucked for pleasure and wearing latex

- Revolution -

Were the sinners
Sinners - Fuck
