Baby come back
I wanna be your everything
I'm gonna stalk you after midnight
I'll stalk you when the bells are ringing
And we can make it work alright tonight
Mirror mirror on the wall
Can you tell me
Who's the greatest love of all
Can you help me
I'm waiting for the day
Every night I'm gonna pray
Baby come back to me
Baby come back
Baby come back
Don't you wanna be with me
Baby come back
Baby come back
Don't you wanna be
Don't you wanna be with me
Don't you wanna be with me
Yes I do now
Yes I do now
Don't you wanna be with me
Don't you wanna be with me
I know how you have been defending
I save your prayers every day
But baby you can stop pretending
Tonight I'm gonna come your way
Mirror mirror on the wall

Can you tell me
Who's the greatest love of all
Can you help me
I'm feeling kind of blue
Cause my everything is you
Baby come back to me
Baby come back
Baby come back
Don't you wanna be with me
Baby come back
Baby come back
Don't you wanna be

Don't you wanna be with me
Don't you wanna be with me
Yes I do now
Yes I do now
Don't you wanna be with me
Don't you wanna be with me
Baby come back
Baby come back
Baby come back
Baby come back
Baby come back
Don't you wanna be with me
Baby come back
Baby come back
Don't you wanna be
Don't you
Baby come back
Baby come back
Don't you wanna be with me
Baby come back
Baby come back
Don't you wanna be
Don't you wanna be with me
