Oh Alcazar  
Everybody is a star  
Oh Alcazar  
Just be proud of who you are  
Oh Alcazar  
Celebration when we ring  
The bells of Alcazar

Oh Alcazar  
Everybody is a star  
Oh Alcazar  
Just be proud of who you are  
Oh Alcazar  
Celebration when we ring  
The bells of Alcazar

We've come from around the world  
We stand at the golden tower  
The tribes go marching in  
Go dancing in the tower of power  
In the midnight hour  
When the bells are ringing tonight

Oh Alcazar  
Everybody is a star  
Oh Alcazar  
Just be proud of who you are  
Oh Alcazar  
Celebration when we ring  
The bells of Alcazar

Oh Alcazar  
Everybody is a star  
Oh Alcazar  
Just be proud of who you are  
Oh Alcazar  
Celebration when we ring  
The bells of Alcazar

We are the chosen ones  
We rule from the golden tower

Just like the prophets said  
Go dancing in the tower of power  
In the midnight hour  
When the bells are ringing tonight

Oh Alcazar  
Everybody is a star  
Oh Alcazar  
Just be proud of who you are  
Oh Alcazar  
Celebration when we ring  
The bells of Alcazar

Everybody is a star  
Just be proud of who you are  
Celebration when we ring  
The bells of Alcazar

Oh Alcazar  
Everybody is a star  
Oh Alcazar  
Just be proud of who you are  
Oh Alcazar  
Celebration when we ring  
The bells of Alcazar

Celebration when we ring  
The bells of Alcazar
