Take me on, don't leave me blue  
Nobody knows me better than you  
Stay with me, you can help me through  
Nobody loves me better than you

I know crying is useless  
But I don't, I don't want it to end this way  
'Cause I love you, I want you, I need you  
Don't ever walk away

Share my life, like you used to do  
Nobody loves me better than you

I know crying is useless  
But I don't, I don't want it to end this way  
'Cause I love you, I want you, I need you  
Don't ever walk away, don't ever walk away

Don't ever walk away  
I know don't ever walk away  
I know don't ever walk away  
I love you, I want you, I need you
