But you went and found another
Leaving a heart I can't mend
I done enough of crying
You won't come creeping around anymore
Cause I had enough of lying
Just walk out the door
I'm breaking free
From the chains of your heart
Gonna tear them apart and move on
'Cause this is me
I can't live in a lie
Got to try to survive and be strong
I am more than a pastime plaything
You will have to be cheating on somebody new

'Cause I feel I'm done with losing
I'm looking for love that is true
We can't go on together
'Cause I'm so much stronger when I'm on my own
I feel like it's now or never
Gonna make it alone
I'm breaking free
From the chains of your heart
Gonna tear them apart and move on
Cause this is me
I can't live in a lie
Got to try and survive and be strong
