DJ
Ooh Â- aah
Again and again
Ooh Â- aah
Again and again
Oh my God
Dance with the DJ

The Club Sexual on Rue de France
A one night song Â- a one night stand
On disco floors got hard core
And choose the DJ - not the man

The record he plays like sexual waves
I felt the music in his touch
The look in his eyes
The rhythm inside
I want this night to last forever

Feel the DJ making love to me
The deeper the groove the faster I breathe
My body vibrating from the frequency
Oh Â- dance with the DJ
Intensity builds and I feel the rush
The way that I scream the sound of my love
He took me tonight on the dancefloor of the club
Yeah Â- dance with the DJ

Ooh Â- aah
Again and again
Ooh Â- aah
Again and again
Oh my God
Dance with the DJ

I know the song Â- I don?t know his name
I feel the signature in his sound
The sweat reacts on my pretty face
I fantasize how I go down

So play for me Â- we?ll be discrete
Noone will know noone will see

Lost in the song we'll go all night long
I want this night to last forever

Feel the DJ making love to me Â...

Dancer and DJ becoming one
Calling my body and I'm ready to come
The way that I dance - you know the way I love
Oh Â- dance with the DJ
The finger on the groove making me wet
The deeper you go the more I sweat
He took me tonight on the dancefloor of the club
Yeah Â- dance with the DJ

I want this night to last forever
I want this night to last forever
Forever
Forever
Forever
Dance with the DJ

Feel the DJ making love to me Â...

Ooh Â- aah Â...
