Leave me alone
Can't you see I can't stop crying?
I get down on my knees
I'll be begging you please
Don't leave me alone

Leave me alone
Don't leave me alone
Leave me alone
Don't leave me alone

Last night we were celebrating
You played truth or dare
I came out hallucinating
And love was in the air

We met down in club land
We had an affair
We danced in the spotlight
The fire was there

You said, I'm the only
Then walked out of town
I beg you
Please don't turn around

Leave me alone
Can't you see I can't stop crying?
I get down on my knees
I'll be begging you please
Don't leave me alone

Leave me alone
Can't you see I can't stop crying?
If you walk out that door
I can't stand it no more
Don't leave me alone

Sitting through this courtroom drama
Of who did what to whom
Stand accused of cold seduction
The cameras ready zoom

You said, there was more
That your love was for real
You said, you'd come back
For my heartache to heal

I stand on a bridge
And I'm ready to fly
This time
It's my last goodbye

Leave me alone
Can't you see I can't stop crying?
I get down on my knees
I'll be begging you please
Don't leave me alone

Leave me alone
Can't you see I can't stop crying?
If you walk out that door
I can't stand it no more
Don't leave me alone

Leave me alone
Can't you see I can't stop crying?
I get down on my knees
I'll be begging you please
Don't leave me alone
Leave me alone

We met down in club land
We had an affair
We danced in the spotlight
The fire was there

You said, I'm the only
Then walked out of town
I beg you
Please don't turn around

You said, there was more
That your love was for real
You said, you'd come back
For my heartache to heal

I stand on a bridge
And I'm ready to fly
This time
It's my last goodbye

Leave me alone

Can't you see I can't stop crying?
I get down on my knees
I'll be begging you please
Don't leave me alone

Leave me alone
Can't you see I can't stop crying?
If you walk out that door
I can't stand it no more
Don't leave me alone
