Don't you want me baby?

You were working as a waitress in a cocktail bar  
When I met you, I picked you up  
I shook you up, and turned you around  
Turned you into someone new

Now five years later on, you've got the world at your  
feet  
Success has been so easy for you  
But don't forget, it's me who put you where you are now  
And I can put you back down too

Don't, don't you want me?  
You know I can't believe it  
When I hear that you won't see me

Don't, don't you want me?  
You know I don't believe you  
When you say that you don't need me

It's much too late to find  
You think you've changed your mind  
You better change it back  
Or we will both be sorry

Don't you want me, baby?  
Don't you want me, ohh  
Don't you want me, baby?  
Don't you want me, ohh

I was working as a waitress in a cocktail bar  
That much is true  
But even then I knew I'd find a much better place  
Either with or without you

The five years we have had has been such good times  
I still love you  
But now I think it's time I live my life on my own  
I guess it's just what I must do

Don't, don't you want me?

You know I can't believe it  
When I hear that you won't see me

Don't, don't you want me?  
You know I don't believe you  
When you say that you don't need me

It's much too late to find  
You think you've changed your mind  
You better change it back  
Or we will both be sorry

Don't you want me baby?  
Don't you want me, ohh  
Don't you want me baby?  
Don't you want me, ohh

Don't you want me baby?  
Don't you want me, ohh
