Step into the club as people stand
And you can feel it in the atmosphere
Tonights the night, champagne are nice
I see the passion that is in your eyes

Who do Alcazar? You can be a star
It's your destiny
Wishing to crowd, shout and make it loud
Dancing extacy

I love the DJ, the DJ loves me
The discs are spinning, he's looking at me
I love the DJ, he's setting me free
He plays my music at disco melodies

I love the DJ, the DJ loves me
The discs are spinning, he's looking at me
I love the DJ, he's setting me free
He plays my music at disco melodies

When I look at you I loose control
I feel your music inside my soul
You turn me on, you spin me round
I'm so addicted to that disco sound

Who do Alcazar? You can be a star
It's your destiny
Wishing to crowd, shout and make it loud
Dancing extacy

I love the DJ, the DJ loves me
The discs are spinning, he's looking at me
I love the DJ, he's setting me free
He plays my music at disco melodies

I love the DJ
I love the DJ
I love the DJ
I love the DJ

I love the DJ
I love the DJ

I love the DJ
Set me free

I love the DJ, the DJ loves me
The discs are spinning, he's looking at me
I love the DJ, he's setting me free
He plays my music at disco melodies

I love the DJ, the DJ loves me
The discs are spinning, he's looking at me
I love the DJ, he's setting me free
He plays my music at disco melodies

I love the DJ, the DJ loves me
The discs are spinning, he's looking at me
I love the DJ, he's setting me free
He plays my music at disco melodies
