Can I be the one To share your love life To share your love life

You live a life alone and so do I Don't you ever get lonely and do you wonder why? May I propose a new solution, a revolution for you and me?

Can I be the one to share your love life? (Share your love life)
Can I be the one to share your love life?

Can I be the one to share your love life? (Share your love life)
Can I be the one to share your love life?

Why don't we share a place, the two of us? Just a quiet life without much fuss With our love we'll make the most of it You must admit, you'll agree, ohh

Can I be the one to share your love life? (Share your love life)
Can I be the one to share your love life?

Can I be the one to share your love life? (Share your love life)
Can I be the one to share your love life?

I'm tall and presentable, well-dressed and clean With a good sense of humor, non-smoking, non-scene I like walks in the country, a film or a play A couple of beers or a glass of Chardonnay

To share your love life To share your love life
