En, deux - mÃ©nage Ã trois
Oh la la
Mais oui, Monsieur. Et Madame.
Tonight we're gonna boogie pour vous
Oh oui!

Would you like to come to our mÃ©nage Ã trois?
There's room for one more body in our boudoir
Would you care to try a little un, deux, trois?
Everyone will get a chance to be a star

Hey there, sexy, what you doing?
You're looking kinda lonely over there
Me and my baby, we wanna party
And we'd love for you to join us if you dare

Twice is nice, but three's divine
What's her's is yours, is ours, is mine
If you're in the middle,
Better hold on tight

Would you like to come to our mÃ©nage Ã trois?
There's room for one more body in our boudoir
Would you care to try a little un, deux, trois?
Everyone will get a chance to be a star

Oh, come and get it
You won't regret it
We can promise satisfaction guaranteed
And we can keep it our little secret
Keep it between you and her and me

Twice is nice, but three's divine
What's her's is yours, is ours, is mine
If you're in the middle,
Better hold on tight

Would you like to come to our mÃ©nage Ã trois?
There's room for one more body in our boudoir
Would you care to try a little un, deux, trois?
Everyone will get a chance to be a star

Would you care to join us in our chambre s'Ã©parÃ©e?
Come a little closer, oh yeah, very enchantÃ©
RÃ©pondent, rÃ©pondent, rÃ©pondent s'il vous
plaÃ©t
rÃ©pondent, rÃ©pondent, rÃ©pondent s'il vous
plaÃ©t!

Would you like to come to our mÃ©nage Ã© trois?
There's room for one more body in our boudoir
Would you care to try a little un, deux, trois?
Everyone will get a chance to be a star

(This is our mÃ©nage Ã© trois)
(Our Boudoir)
(Oh yeah! trois)
(I wanna be a star)
(I really wanna join in)
(Oh yeah)
(Boudoir)
(Encore)

Would you like to come to our mÃ©nage Ã© trois?
There's room for one more body in our boudoir
Would you care to try a little un, deux, trois?
Everyone will get a chance to be a star

(There's a room for!)
(I wanna be the man!)
(The man in the middle!)
This is the night to make it right
No one can know, we'll keep it our night
