You're baby's goin' out  
But she doesn't wanna go with you  
When the beat is loud  
Then she wants to dance with someone new  
She moves with the disco nation

But youuuuu shouldn't lay the blame  
Don't point your hand in our direction  
Youuuuu-u-u shouldn't play the saint  
We always rocked your party

We didn't start the fire  
It was always burning since the world's been turning  
No, we didn't start the fire (We didn't start the fire)  
No, we didn't light it but we tried to fight it

Oh-wah, oh-wah  
Oh-wah, oh-wah

When your baby's on the move  
Don't you blame it on the melody?  
Hmm, hmm  
It's just another groove  
Bein' laid out for the dancin' feet  
By this Alcazar DJ

So youuuuu shouldn't lay the blame  
Don't point your hand in our direction  
Youuuuu-u-u shouldn't play the saint (Yeah, ya groove)  
We always rocked your party (heyyyyy)

We didn't start the fire (yeah, yeah)  
It was always burning since the world's been turning  
No, we didn't start the fire (We didn't start the fire)  
No, we didn't light it but we tried to fight it (whooh!)

Oh-wah, oh-wah  
Oh-wah, oh-wah  
(Woohooh, ooh-ooh)  
Oh-wah, oh-wah  
Oh-wah, oh-wah

Ev'rybody's dreamin'  
Ev'rybody's screamin'  
Ev'rybody's steamin' on the night train, night train  
Ev'rybody's swayin' (ah-ah, yeah)  
Ev'rybody's yeah-in'  
Ev'rybody's playin' on the love game, love game

Youuuuu shouldn't lay the blame  
Don't point your hand in our direction  
Youuuuu-u-u shouldn't play the saint  
We always rocked your party (Oh, oh, oh, oh, hey-hey!)  
(We didn't start the fire)

We didn't start the fire  
It was always burning since the world's been turning  
(world's been turnin')  
No, (we didn't start the fire) we didn't start the fire  
(No, no) No, we didn't light it but we tried to fight it

We didn't start the fire (We didn't)  
(No, we didn't start the fire)  
It was always burning since the world's been turning  
No, we didn't start the fire (We didn't start the fire)  
No, we didn't light it but we tried to fight it

We didn't start the fire
