#### INTRO:

Todavia me acuerdo tus besos  
en cada momento, cada vez que te escucho  
Uhhh

Staring in the night light  
an angel while im sleeping  
I feel your arms around me, but sadly im just dreaming  
I stare into the darkness and hope to find you waiting,  
but I know that is useless  
I'm just allusinating

#### CHORUS

\*And i swear that love is addictive  
I give up my world, for you i come running  
And i swear that i have it all,  
tell me why cant i stop thinking of you  
Uhhhhh

Its your voice that i hear  
Its your touch that i feel  
that your love comes to me everytime i think of you  
When i dream, im so real and i know that your real  
and youll see what i feel everytime i think of you  
of you, of you.\*

Veo cada estrella, en el brillo de tus ojos  
Veo primavera, en medio del otoño  
Veo lluvia fresca, luz de luna llena  
Veo que mi vida, sin ti estaria a medias

I swear that love is addictive  
i give up my world, for you i come running  
and i swear that i have it all  
then tell me why cant i stop thinking of you

Its your voice that i hear  
Its you touch that i feel  
that your love comes to me everytime i think you  
When i dream, im so real  
and i know that your real

and youll see what i feel everytime i think of you  
Uhhh

Then tell me why can't i stop thinking of you

Its your voice that i hear  
Its your touch that i feel  
that your love comes to me everytime i think of you  
when i dream im so real  
and i know that your real  
and youll see what i feel everytime i think of you

Cada vez que pienso en ti  
Of you  
everytime, everytime i think of you  
yeah, uhhh  
Everytime i think of you
