Quiero que sepas que todos los dias (its MC Ridaz
baby)
Solo pienso en ti (DJ Kan)
Eres la reina de my vida (welcome to Magic City)
My corazon es para ti mi amor
I wanna treat you like a queen
I wanna love you tonight (love you tonight)
Sexy lady with the pretty brown eyes
Let me know if you down to ride (come on)

I remember when i met you
You were standing with your friends at the bar
Looking so fly
From the hotel suite
To the bubbles in the bath tub
No matter what you wanna do
I got your back love (come on)
Let me give it to you baby let me
Rub your back
As a matter a fact
When the lights down low
With a beat that's slow
Imma make you lose control
Let me touch them private places
Homerun hit it like four bases
Makin' all them sexy faces
Damn girl you drive me crazy (come on)
I wont stop til the panties drops
Foggy windows in the parking lot
Holiday inn or the marriot
Dime lo que quieras
Cause I'll make it real hot

{chorus}
Quiero que sepas que todos los dias
Solo pienso en ti
Eres la reina de mi vida
Mi corazon es para ti mi amor
I wanna treat you like a queen
I wanna love you tonight
Sexy lady with the pretty brown eyes

Let me know if you down to ride
(yeah let me know girl)

Let me treat that body like a playground
From the top of the slide
To the mary-go-round
Don't stop 'til you get enough
'til your eyes roll back and your legs lock up ooo wee
I know you like that feeling
When im killing that kitty cat cat
And i break your back
And you losing breath like a cardiac
Must be that sex maniac in me
Gotta hit it one time or make it three
You know i gotta make it hotter than a hundred
degrees (come on)
Tell me one thing
In the morning when you wake up
What chu wanna do
Yo quiero hacer el amor
With nobody else but you

{chorus}

I told you lady
That im gonna love you so right (come on)
Let me touch that body
In the places that nobody's ever touched before
Let me just love you right
Let me show you what i feel (come on)
You're my one and only lady
And that's why our love is so so real

{chorus}
