She sat me down and took me by the hand  
She said I'll try to make this painless if I can  
She was sorry and then she began to cry  
Couldn't look me in the eye  
I said baby let me just save you the time

I can see where this is going  
Just a fool and hearts will break  
Love's a game we all must play  
So dry your eyes and be on your way  
As for me  
I'll be okay

Well i though we were the perfect match  
It's so hard to say that now  
Without a laugh  
There was never ever such a thing  
Not as far as i can see  
not in all of love's tortured misery

You can see where this is going  
Just a fool and hearts will break  
Loves a game we all must play  
So dry your eyes and be on your way  
As for me  
I'll be okay

We're gonna be okay yeah

I can see where this is going  
Just a fool and hearts will break  
Love's a chance we all must take  
So dry your eyes and be on your way  
As for me  
I'll be okay  
As for me  
I'll be okay  
As for me  
I'll be okay

I'll be okay

I'll be okay
