He's climbin' in your windows he's snatching your  
people up  
Tryna rape em so y'all need to hide yo kids hide yo wife  
Hide yo kids hide yo wife hide yo kids hide yo wife  
And hide yo husband cause they're rapin' errbody up  
out here

You don't have to come and confess we lookin' for you  
We gon find you We gon find you  
So you can run and tell run and tell that  
Run and tell that, homeboy home, home, homeboy

We got your t-shirt you done left fingerprints and all  
You are so dumb you are really dumb for real  
The man got away leaving behind evidence  
(I was attacked by some idiot in the projects)

So dumb, so dumb, so dumb

He's climbin' in your windows he's snatching your  
people up  
Tryna rape em so y'all need to hide yo kids hide yo wife  
Hide yo kids hide yo wife hide yo kids hide yo wife  
And hide yo husband cause they're rapin' errbody up  
out here

You don't have to come and confess we lookin' for you  
We gon find you We gon find you  
So you can run and tell run and tell that  
Run and tell that, homeboy home, home, homeboy
