Chorus (apache / luciano)

I know a place where we can go - and I know a place to  
be free  
And I know a place where we can go - lets unite and live  
in love and intiy  
Calling out to jah - calling out to the highest father  
Calling out to jah - to mek every man come live  
together

Verse (luciano)

In this world of uncertainty  
All we've got is you and me  
There's no need for hostility  
Lets unite and live in love and intiy  
Say brothers and sisters  
No matter what denomination  
No matter the class or the creed  
And no matter your nation  
It's one God one aim one destiny  
One universe oh can't you see  
Come along lets unite  
Lets unite and live in love and intiy

Chorus

Verse (apache)

Say whether african - or whether indian  
Remember rastafari say the whole of we are one  
Say whether you be black or white or whether your be  
brown  
Say I and I come me come here so fe mek you settle  
down  
With the love - ina me heart  
And the voice - from a me thought  
With the words - from me mouth  
Hear the rastafari shout  
Me say peace and love - come mek we spread it about  
Me no wan no hear no war from east - west down to  
south  
East and west uno better come together gether  
Remember say the whole of we a brother brother

brother  
Easy luciano from you are the messenger!  
The two of we together have fe set the order

Chorus - (apache / luciano)  
Calling out to jah - calling out to the highest father  
Calling out to jah - to mek every man come live  
together  
I know a place where we can go - and I know a place to  
be free  
And I know a place where we can go - lets unite and live  
in love and unity
