There was a time when my world was filled with
darkness, darkness, darkness
And I stopped dreaming now
I'm supposed to fill it up with something, something,
something
In your eyes I see the eyes of somebody I knew before
long long long ago
But I'm still trying to make my mind up
Am I free or am I tied up

I change shapes just to hide in this place but I'm still,
I'm still an animal
Nobody knows it but me when I slip yeah I slip
I'm still an animal

There is a hole and I tried to fill up with money, money,
money
But it gets bigger to your hopes is always

Running, running, running

In your eyes I see the eyes of somebody of who could
be strong
Tell me if I'm wrong
And now I'm pulling your disguise up
Or you free or are you tied up

I change shapes just to hide in this place but I'm still I'm
still an animal
Nobody knows it but me when I slip
I'm still an animal

I change shapes just to hide in this place
But I'm still I'm still an animal
Nobody knows it but me when I slip, yeah I slip
I'm still an animal

[Instrumental break:]

I change shapes just to hide in this place
But I'm still, I'm still an animal

Nobody knows it but me when I slip yeah I slip
I'm still an animal x2
