My girl, my girl.  
Don't go away  
Tell me why do you go so far?

Away from here,  
Away from me  
Oh girl, don't do this to me  
I'll cry and cry every freaking night

Oh girl, oh girl  
Where will you go?  
I'm going where the past is gone  
(Would you like to come?)

Away from me,  
Away from here  
Oh girl, don't do this to me  
I'll cry and cry every freaking night

My heart needs a place to hide away  
From the bad things that happen to me.  
My heart was found in a lonely place,  
But my body never was found

My girl, my girl  
Don't go away  
Tell me why do you go so far?

Away from here,  
Away from me  
Oh girl, don't do this to me  
I'll cry and cry every freaking night

Oh girl, oh girl  
Where will you go?  
I'm going where the past is gone  
(Would you like to come?)

Away from me,  
Away from here  
Oh girl, don't do this to me  
I'll cry and cry every freaking night

My heart needs a place to hide away  
From the bad things that happen to me.  
My heart was found in a lonely place,  
But my body never was found

My girl, my girl.  
Don't go away  
Tell me why do you go so far'away from here,

Away from me  
Oh girl, don't do this to me  
I'll cry and cry every freaking night
