See the story coming
Heaven is black as the night
Something is calling me, yeah!
Now the time is right

I hear music
From thousands of angels above
I hear them singing
The power and glory to the holy one

Right light in the sky!
Finally the world will see!

The King is alive!
The King is alive!
Just remember I will rise from the death
The King is alive!
Once for all, I'll set you free!

Feeling the unseen power
Lifting my hands to the sky
I just can't believe my eyes
My King was dead
But now he's alive

I hear music
From thousands of angels above
I hear them singing

The power and glory to the holy one

Right light in the sky!
Finally the world will see!

The King is alive!
The King is alive!
Just remember I will rise from the death
The King is alive!
Once for all, I'll set you free!

The King is alive!
The King is alive!

Just remember I will rise from the death
The King is alive!
Once for all, I'll set you free!

Right light in the sky!
Finally the world will see!

The King is alive!
The King is alive!
Just remember I will rise from the death
The King is alive!
Once for all, I'll set you free!
