This song right here... is dedicated to somebody real  
special  
It's for you baby, just to let you know how much I love  
you girl  
Come here

(chorus)  
(Magic)  
Have I ever told you lady  
That you mean the world to me  
And you know I'm gonna love you forever  
Forever you and me  
(Angelina)  
Have I ever told you baby  
That you're always on my mind  
And you know I'm gonna love you forever  
Until the end of time

You say you love me pretty lady and you're down for  
me  
And so I, I make this promise girl to always be your  
everything  
Turn down the lights, the music up and put your hand  
in mine  
And let me show you girl these feelings that I hold  
inside  
Never wanna be without you girl cuz you're my pretty  
lady  
I lose my mind every time  
Your kisses drive me crazy  
So tell me baby do you feel for me what I feel for you  
Do you love me girl like I love you  
Para siempre i need you  
(Magic)  
Have I ever told you lady that you mean the world to  
me and you know I'm gonna love you forever, forever  
you and me  
(Angelina)  
Have I ever told you Baby that your always on my mind  
and you know I'm gonna love you forever until the end  
of time.

(Chorus)

Hey pretty girl you know I love you  
Can't stop thinking about you  
Always and forever you and I will be together  
The love I have for you  
Until I die I will treasure every minute, every hour  
Can't stop thinking of you  
My days wouldn't be complete without a smile from you  
Hold my hand, understand you're the light of my life  
You're my girl, my friend  
That's why I made you my wife

( Magic)

Have I ever told you lady that you mean the world to  
me and you know I'm gonna love forever  
forever you and me

(Angelina)

Have I ever told you baby that your always on my mind  
and you know I'm gonna love forever until the end of  
time

(Chorus)

Now if I never said it then I'ma say it now  
In front of the whole world baby girl  
I'ma say it proud  
I'm still in love with you  
Even though the things that we been through  
I can still smile  
I can still say my heart belongs to only you now (yea)  
I breathe and live for you and my kids  
We been through the rain, the love and the pain  
Let our sun shine again  
How them fairy tales end, happily ever after  
Forever I'ma be your man

(Magic)

Have I ever told you lady that you mean the world to  
me and you know I'm gonna love forever  
forever you and me

(Angelina)

Have I ever told you baby that your always on my mind  
and you know I'm gonna love you forever until the end  
of time

(Chorus)
