Intro

You're my lady always been so true  
This is why , I sing this song for you  
And you're my lady , always in my life,  
And I wanna thank you , for being down to ride,  
Verse 1

Forever yours forever mine our love will always  
Shine no matter the situation you where always  
By my side never the less you brought the  
Best of me, the years that I' lived

Only love that i got my right hand by best friend  
Who must of sent Such an angel to this world  
That is cold you belong in the heavens not this  
Ignorant world you're my girl my all best thing  
A man could ever have

Im glad that your mine and im proud to be your man.  
Understand that there's no other if there is just  
A few staying true like you never breaking  
No rule lord forgive me for the things I have done  
To you if you werent up in my life I wouldn't know  
What to do wont complain about no money didn't  
Faze when I was broke all we needed was each other  
Love to strong to let go  
If I die tonight all I wanna let you know  
Remenise on what we had hold me thight  
And don't let go girl.

Chorus

Oh girl you're the one for me,  
Never ever let me down ,  
You will always be around ,  
Girl I have to thank you baby,  
Always standing by my side ,  
So don't you ever leave my life

Verse 2

Even through these hard times we continue to face,  
It's like deep inside of me you could never be  
Replaced,  
Like when we struggle we get tested in faith,  
But you been strong and stood by me every step  
-a-the-way,

I thank the lord for the day he brought you into my  
Life,  
Changed my world -my destiny - and gave me new life,  
So if you got somebody special - that's always been  
True,  
Show love and take note in everything that they do,

I could neva take ffor granted what she's done for me,

Even when we disagree she still stands by me,  
Late night - road trips- showin' mad support,  
The tyra-girl-that every homie should be keepin '  
Close,

Cuz your that tyra-a-girl that neva let me down,  
Encouraged me to see the light when no one else  
would  
Come  
Around, down when I had money- and down when I was  
Broke,  
So if I die tonight hold me tight and don't let go!

Chorus

Verse 3

I guess that you can say I owe my life to you the  
Only dream that really matters is to be with you cuzz  
Even though we argue and we fight some times  
Youll always be my queen untill the end of times  
Im giving love to the one that always stood by my side  
If you ever need me baby for you I give my life  
You been so true that's why it's you these feelings I  
Wont  
Hide my love goes out to you girl I never leave your  
Side yeah,  
Chorus
