I owe you, I owe you  
I owe you, I owe you  
I owe you, I owe you

[DOS:]

Now this is for the times you been there for me.  
When no one in the world even care for me.  
And all the bad times that share wit me.  
You kept me smiling when my times were rough.  
I owe you for being so patient, I know is hard.  
But you stayed down even when I didn't think you will  
stick around.  
You were holding on and staying strong for both of our  
love.

[Angelina:]

I know you care for me and I hope that we never  
change.

[Dos:]

Naw cuz I be there all the way thru the end, lose or win,  
no more drama lets forever begin

[Angelina:]

I thought I never love again, but now I'm loving  
I thought I never feel again, you got me feeling  
I thought I never breath again, and now I'm breathing  
You gave me something new for me to believe in  
Thought I never laugh again, but now I'm laughing  
Thought I never care again, you got me caring  
Thought I never share again, and now I'm sharing  
My life is with your I'm not scare no more  
I owe you everything
